0

00:00:00.400 --> 00:00:03.300

An African-American woman with short hair wearing a purple top and

1

00:00:03.300 --> 00:00:06.200

a wheelchair with an Asian-American female doctor in a white

2

00:00:06.200 --> 00:00:06.900

lab coat.

3

00:00:07.600 --> 00:00:10.100

Getting the COVID-19 vaccine is good for your

4

00:00:10.100 --> 00:00:13.900

health because it will reduce your chances of getting sick. Especially if

5

00:00:13.900 --> 00:00:16.900

you have a pre-existing condition Blind Hispanic

6

00:00:16.900 --> 00:00:19.500

man with a guide dog wearing dark glasses and a

7

00:00:19.500 --> 00:00:22.300

red checkered shirt walks into a doctor's office with an Asian-American

8

00:00:22.300 --> 00:00:24.200

female doctor in a white lab coat.

9

00:00:24.900 --> 00:00:27.300

And getting vaccinated will also protect the

10

00:00:27.300 --> 00:00:30.300

health of those around you. Standing in a line a

11

00:00:30.300 --> 00:00:34.000

blind middle-aged white woman with a cane an Indian-American

12

00:00:33.100 --> 00:00:36.400

man wearing a blue jacket and a red tie an

13

00:00:36.400 --> 00:00:39.400

Asian-American female doctor in a white lab coat an

14

00:00:39.400 --> 00:00:42.400

African-American boy with a prosthetic leg. Ask your

15

00:00:42.400 --> 00:00:45.300

teacher doctor or a close family member where you can

16

00:00:45.300 --> 00:00:46.100

get vaccinated.

17

00:00:46.700 --> 00:00:49.200

Asian-American female doctor standing in a

18

00:00:49.200 --> 00:00:52.600

room with graphics to her right. For more information head to

19

00:00:52.600 --> 00:00:56.300

[www.covid-resources.org](http://www.covid-resources.org). Get

20

00:00:55.300 --> 00:00:58.700

the COVID-19 vaccine. It's good

21

00:00:58.700 --> 00:00:59.500

for your health.
