Demonstration – cont.

- Trainee dataset > trainee year record:
 - Long-term trainee: criteria for enrollment
 - Long term-trainees (LTT) complete 300+ hours of didactic and experiential training that includes clinical and leadership requirements listed in the NOFO.
 - Individuals whose entire training program is less than 40 hours are captured in the Short term Trainee dataset. Undergraduate long-term trainees are generally not allowable. Please contact your project officer before enrolling undergraduate long-term trainees into your program. LEND programs should refer to the NOFO for exceptions.
- UCEDD PPR Annual Report
 - Part 5: Expanding the Public Health Workforce within the Disability Network Program Measures

Reminders: MCHB Programs

- If you are participating in the export, please wait to fill out anything in the EHB.
 - The export is planned for August, and your NIRS data is uploaded into the EHB in early September.
 - MCHB will ensure all grantees participating in the export have performance reports in an “In Progress” status in the EHB before the import begins.
 - After the import is completed, MCHB will notify grantees that the data transfer is completed.
 - You should then log into the EHB, review your data, and complete additional sections of the report in EHB.

Reminders: UCEDDs

- Five-Year Final Closeout Report
 - UCEDDs whose core grant cycle ended in 2022: your five-year final report is due September 29
 - If a no-cost extension is received, the final 5-year closeout report will be due 90 days from new end date
 - Inform nirs@aucd.org if a no-cost extension is granted
 - NIRS will be updated with a feature to differentiate activities documented in a single program year that require reporting in different 5-year cycles
 - If UCEDDs do not engage in activities related to optional core function, enter this impact statement:
“UCEDD does not engage in activities related to this optional core function.”
