

Inclusive Higher Education

February 14, 2025 | 1:00—3:00 PM ET

Panelists:

Johnny Collett, UK Human Development Institute (HDI)
Deputy Director, Supported Higher Education Project

Erin Fitzgerald, UK Human Development Institute (HDI)
Comprehensive Transition and Postsecondary (CTP)
Coordinator, Supported Higher Education Project

This panel will provide an overview of the Kentucky Supported Higher Education Partnership (KSHEP). KSHEP is a network of colleges and universities offering inclusive postsecondary education programs for students with intellectual and developmental disabilities. During the panel, some current and former students will share about their experiences and why inclusive postsecondary programs are important.

Register now at www.hdi-l.com/webseriesfeb25

Learning Objectives

- Explore the history of supported higher education programs in Kentucky, as well as the increasing inclusive postsecondary options across the country.
- Discuss the benefits of inclusive education programs in relation to self-advocacy, career exploration, and community engagement.
- Learn from current and former students from inclusive postsecondary programs, who will share about their experiences in college and beyond.

School Psychologists may receive up to 2 CPD clock hours. Continuing Education units are approved for Physical Therapy for a category 2 course.

Contact walt.bower@uky.edu with any questions.

Check out the Seminar Series page on the HDI website for a complete listing of this year's seminars. Other seminars will be held: March 7th, 2025, and April 11th, 2025.
