### Stronger Together: Creating a More Inclusive World

The World Health Organization names five categories of interventions that can be used to create an inclusive environment. What are examples of actions taken in your workplace or community that create a more inclusive world?

<b>Environmental Changes</b> Example: Lighting, Noise, Seating options	
<b>Products and Technology</b> Example: Phone Apps, Communication Devices	
<b>Support and Relationships</b> Example: Accommodations, Offering Check-ins, Peer Mentoring	
<b>Attitudes</b> Example: Trainings, Team Building	
<b>Services, Systems, and Policies</b> Example: Captioning, Plain Language
